

Adherence to AI ethics, policies, and principles.

Excellence Visions training center is fully committed to implementing the AI principles and ethics issued by regulatory authorities in the Kingdom of Saudi Arabia, primarily the Saudi Data and Artificial Intelligence Authority (SDAIA), in all its activities that rely on AI technologies or data analysis.

We assure that these principles are a fundamental reference for the development and use of intelligent systems, ensuring respect for human values, transparency, fairness, privacy protection, and enhancing reliability in the use of technology.

Excellence Visions training center is also committed to raising awareness among all its employees and service providers of the importance of adhering to and implementing these principles, while adhering to any future updates or additional policies issued in this field.

We hereby acknowledge and pledge our continued commitment to the AI principles and ethics, serving the public interest, and enhancing user and community confidence in our digital technologies.
